Jennifer - did you already have your content for the course or did you have to rapidly develop it?

From Stephanie Eubanks to Everyone: 05:14 PM

Hi, Stephanie Eubanks here. So sorry to join late! Where do I enter my meeting ID? Thx!

From Me to Stephanie Eubanks: (Privately) 05:14 PM

Hello, Stephanie! Was so excited to see you were joining us!

From Stephanie Eubanks to Me: (Privately) 05:15 PM

Trying, you mean ... :)

From Me to Stephanie Eubanks: (Privately) 05:15 PM

Are you able to see the presentation? I didn't have to enter the meeting id, so am confused....

From Stephanie Eubanks to Me: (Privately) 05:16 PM

Yes, I can see Martyn, but I can't hear anything.

So I called one of the several phone numbers provided and was asked to enter my meeting ID. The recording sounded kind of peeved that I didn't do that!

From Me to Stephanie Eubanks: (Privately) 05:17 PM

Did you click the opensesame zoom link in your registration confirmation email?

Hmm, very curious!

From Stephanie Eubanks to Me: (Privately) 05:17 PM

I think so (I clicked some link, anyway), but let me go back and check again.

From Stephanie Eubanks to Me: (Privately) 05:19 PM

Hi again -- got in! So nice to chat, Ina :)

From Me to Stephanie Eubanks: (Privately) 05:20 PM

Any luck? Yay!

From Jennifer Morgan to Everyone: 05:20 PM

Stephanie, I don't think meeting ID entry is necessary. I wasn't prompted for a meeting ID.

From Stephanie Clerge to Everyone: 05:26 PM

We've chosen to convert an all-day course to a virtual course and I'd love to talk about best practices for that.

From Jennifer Morgan to Everyone: 05:27 PM

We're pivoting to more virtual learning

From Stephanie Clerge to Everyone: 05:27 PM

*all-day in person

From Robin Hollis to Me: (Privately) 05:28 PM

are we able to get a copy of this presentation so we can capture the links?

From Kimberle Schumann to Everyone: 05:30 PM

we are adding more short burst training, 1 hour learning ad hot topics for our team members

things we can create quickly and push out rapidly

From Me to Everyone: 05:30 PM

Yes, Robin, we are working o adding the presentation recording, as well as the links, on the advos.org web site.

From Kimberle Schumann to Everyone: 05:34 PM

also adding more of offerings of our virtual trainings which are all day classes

and converting whichever in person classes to virtual--some do not translate well

Great article that explains the science behind the need to take breaks every 90 minutes or so
Referred to this article recently when facilitating a Managing Your Energy workshop

From Jennifer Morgan to Everyone: 06:03 PM

Appreciate Martyn's suggestion to think about blended approaches to learning: perhaps a mix of self-study material, and/or a pre-recorded video, and/or an on-demand self-paced WBT for conceptual content... plus a synchronous facilitator-led virtual session for practical application

From Kimberle Schumann to Everyone: 06:04 PM

our day long class is filled with activities and breakouts

From Robin Hollis to Me: (Privately) 06:08 PM

Ina, unfortunately I have to leave at this time as I have another online meeting at 6:30 pm :-). This is great info. Thanks for doing this. Robin
