The Engagement Ambassador

An Ambassador is a volunteer representative of ATD VOS that communicates the mission and vision of ATD VOS to its constituents (members, potential members, customers, partners, and organizations, etc.) within our local community. The Ambassador's primary role is to serve as a face, resource, and connection to the ATDVOS constituents. The Ambassador will focus on new members initially and then work on the broader organization for ATD VOS.

Profile of Engagement Ambassador

- Good Listener
- Strong interpersonal skills
- Likes people
- Good Communicator and networker (socializer)
- Positive disposition (not a "Negative Nate" or "Debbie Downer")
- Intrinsically willing to help
- Good self-awareness
- Available for workshops
- Learning Agility
- Passion for ATD and the Industry
- Reliable and Committed

Role and Responsibilities of Engagement Ambassador

- Participate in workshops, events, and make connections to our members and constituents
-this is an opportunity to hear from ATD VOS membership and other constituents directly
- Connect and make new members feel welcomed
- Genuinely connect with every person during the event or activity
- Develops relationships over time and identify "regular attenders", first timers, etc.
- Promotes ATD VOS and networking

- The Ambassador is committed to promoting and modeling the values of the ATDVOS. The Ambassador is committed to building bridges with constituents and community.
- Pursues partnerships with other Ambassadors
- Serves, Helps and Assist for pre/post activity of events (mainly connecting with the people)

Engagement Ambassador Training and Resources ATDVOS is in the process of developing new training, onboarding and resources to better equip the Ambassador to perform his responsibilities. More information regarding training and resources will be made available soon.
